[baranowskig.github.io](https://baranowskig.github.io)

## Profile

I am a student of WSB in Wrocław. In my spare time I am interested in programming, personal finance and the topic of zero-waste. I am a calm and organised person on a daily basis.

## Experience

### Culto, Wrocław (current workplace)

#### Food supplier

##### Responsibilities:

- I have to deliver food to the customer
- In a spare time I help in the restaurant

### RST Software Masters, Poland

#### iOS Developer, Internship

##### Responsibilities:

- As a part of larger team, I had to create iOS app showing free parking places.

### TommyToys, Świdnica

#### Web developer

##### Responsibilities:

- I had to maintain website
- I had to analyse prices on the toy market
